

GARDENERS WANTED

Keep watch for the next date volunteers are needed to work in Memorial Gardens. No date has been set for the next Garden clean up.

Many thanks to all of the volunteers who have stepped up during the past year to help keep our gardens beautiful.

The crews have done a great job in shaping up the gardens. Thanks to all of you for helping!

Why are we asking for assistance you ask? To save the Memorial Fund's dwindling resources. In the past we used to spend between \$2,000 and \$3,000 each year to keep up the gardens. Now we can save that money to be used for projects that would go unfunded without the financial assistance of the Memorial Fund. So, the volunteers who help out not only provide a valuable service to the Memorial Gardens but are also helping to preserve our finances to help fund needed projects. For more information on what the Memorial Fund has provided the community check out the section called GIFTS GIVEN TO THE COMMUNITY on our current website, www.hawthornememorialfund.com.
